Please be as precise as possible.</b> | <p>As a resident of Mosley Common I find this proposed development ludicrous and greedy! The amount of new properties developed over recent years have added to an already overly congested Mosley Common Road and Mort Lane. It takes forever to get out of Thornton Road and down to the East Lancashire Road at peak times. There are no green areas left to enjoy. We frequently walk our dogs on the fields where the development is planned and it upsets me greatly to think it will no longer be possible to do this after so many years. Why ruin the only bit of green belt Mosley Common has left. Its total greed on the part of Peel Holdings. Where will all the families who move into these properties register with a GP? They are already overcrowded. Where will the children go to school? This whole proposal makes me feel extremely anxious as I'm sure it does the rest of the residents. Please rethink and do not allow this to go ahead. Save at SOME greenbelt in the area please!</p> <p>Regards<br/>Marianne Dahlin</p> |
