<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	Green belt has been designated to protect from development and loss of habitats. whilst housing and economic growth is important for the Northern area to become more in line with the South, there are huge areas in the North which are brownfield and whilst they do cost more they must be developed first. Loss of green belt is the last resort and at this time is not justified until all other areas have been developed.
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	Identify brownfield sites more specifically for redevelopment. Green belt not to be released and be added back its protection status.

<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to</b>	whilst there is a need to provide housing- the removal of land from the green belt in the Elton and Crow Trees Farm are can not be justified. The green belt is key to protecting land from development and protecting the enviroment and bio diversity. Much of this area has been identified in the plan as a site of biological importance and this contradicts the justification for it being removed from Green Belt designation.
