Please be as precise as possible.	REDACTED TEXT Mosley Common Road and the traffic is horrendous at the moment with queues going back all the way past Mort Lane. You cannot get out of side roads so it will be unbearable with 1100 new houses. The roads around the area are not able to cope now. There are no newschools, doctors or dentists either. The whole area is being ruined by all that's already been built. The green spaces that made this a lovely place to live are being eaten up by developers. I have lived in the area for over 40 years and it is no longer a good place to live. The traffic is terrible, can sit for over half an hour from Mort Lane to Bridgewater Road.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	The strain on the roads, lack of amenities to cope with the increased residents make this an unsound proposition.
