Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	The area in question has already had over 1,000 new houses built, this is having a detrimental affect on the traffic and pollution on our roads, lack of green space. I want to live in an area where I can walk to green areas with my children and dog without breathing in the transport fumes. There will be no green area to walk to, to improve mental health and Well being.
