Please be as precise as possible.	<p>Biggest problem is traffic,my street is now being used has a cut through,when I moved in 4 years ago,this street was quiet, that"s why I moved here,since the houses on sale lane have been built,traffic is now almost at a stand still every day.</p> <p>Just trying to get out of my street take an average 5 to 10 minutes to JUST to turn left.</p> <p>It"s bad enough when the road floods ,with houses on the fields where will all the water then go,yes you"ve guest it on the road (mort lane).</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	<p>What about getting a railway station built on mort lane,with a large car park, this would reduce traffic on ,and around this area and on the east lancs road, where most of the traffic is heading.jus look at the number of roads in and out of this area, maybe you need to improve on that first.</p>
