Soundness - Positively prepared?	Unsound
Soundness - Justified?	Unsound
Soundness - Consistent with national policy?	Unsound
Soundness - Effective?	Unsound
Compliance - Legally compliant?	No
Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	Lowton is already too overcrowded, the amount of houses built in the last 15-20 years is a joke. The roads aren't big enough, the amount of traffic going through lowton on weekday mornings is a joke & definitely not iOS for the environment. There isn't enough schools, doctors or dentist for everyone that lives in lowton! It's suppose to be a village, it's now just houses everywhere with hardly any green space left.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Do not build anymore houses in lowton!!!
