Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	Feels as if Andy Burnham and his labour cohort are getting a wedge slid their way by either the land owner or potential developers as there"s no way he would be so passionate about demolishing Bury greenbelt at Elton reservoir, demolishing homes to wild deer and I assume many other creatures. Many brownfield sites within the area that are virtually redundant and could easily be developed.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Make the housing allocation equal, not biased on building in Bury and Bolton.

Bury council are hopeless when it comes to planning applications by developers and simply request nothing. No local areas of play, no open flat green spaces for kids to play football. Check any new development in bury, not one has any of these features.
