Please be as precise as possible.	<p>The area of the proposed area is in an area already under breaking point with the strain of vehicles that belong to homes that have been built in the last few years, driving into Tyldesley is a nightmare with stationary traffic queuing.</p> <p>This area was a little country area when I moved in, very little traffic and quaint now it's an area I'm considering moving from if these proposals go ahead, already going out in the areas of mort lane, Elliot street, and the A580 junction at Mosley common are a nightmare these are small road in size and were never made for the traffic that is now traversing these roads, at certain times of the day these areas are little more than car parks people all trying to get in and out of the three main roads that are the only way to get in and out of the area.</p> <p>The waiting times to get into dentists, doctors etc are already a pain to get an appointment as it is!.</p> <p>The council thinks most of these new properties will use the bus route into Manchester but we know this is not the case more cars will be used instead.</p> <p>The council is only interested in the revenue in council tax not us who have to suffer in constant traffic in an area already at breaking point!</p>
