<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	<p>Wigan council have allowed various sites to build their houses on over the last few years including Redrow, Bellway Eccleston etc. You have allowed these sites even though the surrounding area cannot take anymore traffic. You have NOT increased building of new Schools , hospitals or Doctors. I cannot get a Doctors appointment for weeks ahead in which case I and many others will be dead.</p> <p>This may seem very dramatic but you obviously don't live in this area of Mosley Common which I have for the last 17 years.</p> <p>You are systematically taking away any green belt and have no consideration to wildlife or pollution.</p> <p>Even the bins outside the shops on Mosley Common Road can't cope. You have reduced the service to empty them regularly but increase the building of more houses which in turn increases the amount of people using the said shops and take aways..</p> <p>how much money is Wigan council making on all these new sites and the Rates they are charging new home owners..???</p>

<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	My modification would be to cancel / abort your plans for more homes.
