Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>I use this open green land on a daily basis with my family - the boys have played football there, we walk through the area daily - it is so important to our mental health to have such a diverse landscape accessible to the community of Bamford and Norden. It is an area of peace and tranquility that should be preserved for generations to come.</p> <p>This is publicly accessible green belt land, protected by national planning policy - for this reason alone it should be removed from PfE.</p> <p>I have family who live in ALtrincham - they have no green space available to get to without transport, the place is gridlock - dont let the same happen to Rochdale.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Remove Bamford/Norden from the PfE
