Soundness - Positively prepared?	Unsound
Soundness - Justified?	Unsound
Soundness - Consistent with national policy?	Unsound
Soundness - Effective?	NA
Compliance - Legally compliant?	No
Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	There has been too many houses built in Standish recently, too quickly. The village can not cope with more. The infrastructure is not there to deal with additional population. Standish Children now can't get a place in Standish primary schools and are being sent to schools outside the area. There is no capacity at local doctors, dentist's also. It is a nightmare trying to commute to and from work getting through the centre of Standish because of overpopulation already.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	No more house building in Standish, keep the green belts protected.
