Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>Traffic is a major problem in this area already, to add more houses, which will result in more traffic is crazy! I have lived in this area for only a year and i am already considering moving due to the lack of amenities! I plan my time away from my home all around the traffic! Having to say no to meeting friends at certain times or leaving early so i do not have to sit in traffic. Mosley Common road is a major route in and out of this proposed development and it cannot cope with extra traffic.</p> <p>Not enough dentists in the area, in 12 months i am still not able to register with one!</p> <p>Every time we have heavy rain, the area floods from Mort Lane to Boothstown! Taking away further green space will add to this!</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Please just leave the little green space that is left!
