Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>I consider the additional 1100 extra houses that are potentially being built, unsound, due to the extra traffic it will put on to local roads. The added air pollution it will cause in the local and surrounding areas. The increased pressure on local infrastructure like doctors, dentists and hospitals.</p> <p>The roads in the local area are already unacceptably busy at rush hour and an additional 1000 plus vehicles will just add to the general road chaos during rush hours. It already takes 2-3 weeks to get a GP or dental appointment and an additional 1100 houses and potential 2,000 plus people will increase these waiting times even more.</p> <p>This development cannot be allowed to proceed for the reasons above.</p>
