Please be as precise as possible.	<p>I have been a local resident for approximately REDACTED TEXT and believe the impact of building on such a scale in the Mosley Common area would be to overdevelop and already developed location. Current facilities and traffic routes would be unable to cope.</p> <p>There is already a great deal of restructuring along the A580 and an increase in traffic will have to be endured as a consequence of the opening and development of the RHS Salford.</p> <p>I recognize the necessity to build new houses, but I believe consideration must also be shown for those who already live in this built-up area. It could be disastrous for local residents.</p>
