<b>Soundness - Effective?</b>	NA
<b>Compliance - Legally compliant?</b>	NA
<b>Compliance - In accordance with the Duty to Cooperate?</b>	NA
<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	<p>The Ellenbrook area is already overcrowded and the proposed site will use roads which are no more than country lanes. There is one post office which is impossible to get near due to the volume of vehicles parking in the area. Newearth Road is a classic example of the increased volume of traffic which is being constantly repaired and now resembles a patchwork quilt. A recent temporary closure caused gridlock and the traffic in the area is already at saturation point!</p> <p>Schools and Medical facilities are also reaching breaking point!</p>
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	I don't believe this is possible!!!
