<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	<p>Worsley is the most congested and polluted part of greater Manchester and arguably the north west. Building more houses on green spaces which are enjoyed by the community and wild life amounts to an insidious erosion of the quality of life of the current residents. Try to drive from one side of Worsley to the other at rush hour and see how long it takes you. It's outrageously bad, stressful and dangerous now.</p> <p>The recent addition of RHS traffic has made this even worse. People do not want to get the bus, not feasible for most people so you will see a huge influx of cars. We don't even have a tram network. The roads are heavily congested and unsafe. I walk my children to school in fear of the air they breathe and the sheer volume of cars on the road but my alternative is to add to the congestion, pollution and spend twice as long in the car as it takes to work due to said traffic.</p> <p>The space you wish to build on at hazelhurst and booth town is precious to residents and the eco system. Don't denigrate the little we have in this area.</p> <p>The NHS doctors and dentists are overly full and it's extremely difficult to get an appointment and care in an appropriate period of time.</p> <p>Building more houses will make Worsley and boothstown a dramatically less pleasant place to live. We will move away as will others. Don't ruin one the last green suburbs of Manchester. Build elsewhere on land that is in a quieter part of the city where the congestion and air pollution isn't huge that is not green belt please. Please reconsider the hazelhurst farm and boothstown plans</p>
