| Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above. | <p>Heavy traffic on A572 already at max capacity with queuing+++ at rush hour. Very busy rest of day. This causes congestion on surrounding roads. Vehicles from any new houses would have to cross the flow of traffic to go to the motorway. Atmospheric pollution caused by vehicles queuing when the whole area has been designated a clean air area. Pollution, both airborne and noise is very damaging to people. Indeed a girl in London died because of particulates in the air.</p> <p>Alder wood is a quiet oasis of green for people, flora and fauna. This development would have a damaging effect on the woods. Infrequent public transport forcing people into cars. Schools already over subscribed as well as local medical and dental centres.</p> <p>Would damage the whole rural ambiance of RHS Bridgewater and ruin the aesthetically pleasing long distance vista travelling to Boothstown from Worsley.</p> |
