Please be as precise as possible.</b>	After living in Mosley Common for 45 years I see more and more houses are being built on green belt land in this area. The extra traffic over the last few years is causing more and more problems (traffic jams ,crashes etc). There is more flooding when there is heavy rain because the fields that haven"t been built on can"t soak away all the rain. After rain especially over the winter the green areas stay wet for longer . Building more houses will only make thing worse
