Please be as precise as possible.	Already over-stretched facilities will be further exacerbated such as GPs surgery, already impossible to get an appointment when you need for the last 10 years. The road networks are currently way over capacity with extremely large queues even outside of rush hour. Queueing directly out of your driveway all the way to the east lancs road for 20 minutes <1/2 mile, and then queuing all the way down the east lancs road into town is an insufferable event each of us have to endure every morning - literally makes you want to leave the area. Construction works will simply further add to this too.
