| Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. | I am appalled that the prospect of 1100 houses be built in this area. It is already very busy and the traffic would increase dramatically. There is a shortage of school places and doctors to name but 2 things. How anyone can even consider ruining one of the few places with some greenery left is beyond me. |
