<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	<p>I live on REDACTED TEXT and the traffic is already extremely heavy now. The noise pollution together with air pollution is unacceptable so adding 1100 new homes really isn't the answer. You only need to walk down Mosley Common road to see how bad it is with dirt polluting the streets because of all the traffic and heavy waggons, I can clean my car and within a couple of hours its dirty again we don't open our windows at the front of the house because of this, I'm asthmatic and have noticed a deterioration in my breathing so again i dont think adding more housing and cars to the already congested area and i wholeheartedly object to this.</p> <p>Kind Rregards, Glenn</p>
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	<p>There are no modifications that can be made to make this right it is wrong and youre are putting peoples lives at risk.</p>
