Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	Our village is quite small and does not have any amenities to accommodate more housing, we only have two roads that can access our area and having all these houses is going to cause to much stress on these roads, and cause more stress to the already expanding area, not only are you taking much loved fields your taking away walk ways that our residents have been using for many years, causing us so much stress and aggrevation, we don"t need any more pollution that this is going to cause, neither do we need the stress that this is going to cause, for once please consider our feeling in this and not just approve this for your own benefit, this is not going to benefit us at all, so fair is fair, their are to many children suffering from allergies caused by dust and smog, why make this worse for the many living in this area at the moment, our health must take priority over this and you as council must take this into account, we matter and we OBJECT to your plans. Very unsound and non co-operative to our cause. Compulsory purchasing land

Places for Everyone Representation 2021

	that the owner does not want to sell just because others want to make money is horrendous and should not be allowed, this is shocking and discusting that someone"s precious land can be taken from under their feet, all the years of time and effort to farm this land, working night and day to feed their families, just to have it taken away with out a thought in the world, you can understand why people get so angry, I am trying to be polite as this is who I am but I am outraged at your proposals, and would ask you please not to allow this to happen.
