Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	it is greenbelt land and it should be left greenbelt There is no reason for houses to be built on greenbelt when there are hundreds of brownfield sites in the area. there is not a need for homes in this area only for the council to enrich the council tax portfolio.This is joining areas together taking away land that belongs to the people.it is rural land and once it is taken thats it . more traffic on already congested roads
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	i dont find any part of the plan legally compliant with my beliefs
