It is already impossible to estimate a journey's time when there is so much traffic. It impacts Mosley Common Rd, East Lancs Rd and Mort lane etc.,</p> <p>All the houses around Mosley Common have already got little facilities to allow there to be enough dentists, schools, doctors etc., to cover the population, One cannot get an appointment at a Doctors and I have waited 2 weeks for a telephone consult! It is impossible to think that all the extra houses will not impact on the area.</p>
