Please be as precise as possible.	<p>I am incensed at the proposal to build ANOTHER 1100 houses at Mosley Common. The area has already suffered severe disruption with extensive building over the last few years. Our roads are gridlocked, our priority bus route is already running at overload and our local community spirit has been eroded away by an influx of new residents.</p> <p>I understand that new homes are required but the Mosley Common area has now taken more than it's fare share. These plans are proposed by a group of people who neither know or care about the devastating effect that this building is having on or supposed green belt. It is not required, affordable or welcomed.</p>
