Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	As a local resident of the area I have seen new estate after new estate being built over a number of years. It has gone well beyond the tipping point already. The volume of traffic has reached ridiculous levels and cannot possible cope with another 1100 homes worth of extra vehicles. Also the schools and nurseries are already full. Not only that but we have lost so much of our fields and countryside as it is. I understand that more houses need to be built but I feel our area has had more of its fair share of new estates built already. We are sick to death of loosing our greenery and sitting in gridlock every day. It is beyond a joke
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Look elsewhere for your homes
