Places for Everyone Representation 2021

The schools, doctors surgeries, dentists and all other amenities are lacking now. What will

Happen with 1000s more people

The wildlife will be destroyed. We have loads of different bird species including barn owls

Where will they go to feed when all the fields are gone

The proposed land is green belt. How can protected land be built on without any thought being given

Building has already claimed Burgess Farm and all the fields along the bus way 100s of houses have already taken lots of the green land how many more can the area take
