Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	There are many parts of the whole document that contain things like "When this (or that) is approved....." You are making illegal, misleading statements. I have pointed one out in answer to one of the questions earlier in this reply. The whole plan is littered with similar misleading statements.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	By saying things like "would you like to be informed when the plan (or any part/s of same are thown out"
