Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	I agree with the need for local transport being improved in this area but do not wish this to be built on for homes as it will disrupt scenic views from my home on Heywood old road and likely decrease housing value in the local area. The noise will be louder and less tranquil. The air pollution will be greater. Nature will be destroyed along with animals and their habitat.
