Please be as precise as possible.	Leigh Road is an incredibly busy road with commuters coming from Leigh, Tyldesley, Mossley Common, Walkden and Astley trying to access the M60. Traffic can start to build up as early as 6:30am and should there be an accident on the M60. The delays can be incredibly long. Since the opening of the RHS site next to the proposed site the traffic again has been impacted throughout the day and in the evening rush hour. By adding s further 300 houses to this site this will add further strain to an already busy road whereby it could reach crisis point not just for the people of Boothstown but for the wider community. I urge you to reconsider this proposal
