| Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. | Have you consulted with Salford? We cannot sustain traffic down one road to worsley to the m60 . the pollution is worsening as cars sat in convoy for 2 hours. Loosing time on travel to work. Loosing local field and wildlife . Already the area has had extensive building . Its too much to build another site of dwellings . Please reconsider for the sake of the people who live here !!! |
