Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	1100 extra houses in Mosley Common would be a ridiculous idea, especially when there are already issues with heavy traffic and insufficient facilities to keep up with demand if the houses were to be built.

Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	To make this compliant and sound you would need to scrap the plan of building 1100 houses all together, it would be morally wrong to build on an areas of land that is considered Farm land and historically linked to the area. Talks of a Roman road has been said to have run through the common and would be a shame to dig it up for the sake of overpriced housing.
