Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>The common is a beautiful area of nature and it would be sacrilege to take this away from wildlife, peoples own freedom to walk and enjoy these areas, best free health tonic for everyone.</p> <p>Traffic along Mosley Common Road, has dramatically increased over the last 3 -4 years, and since lockdown, this has now become so obvious, never been so snarled up with traffic, more houses more traffic it will be a car park, sorry already is, more pollution, more crashes.</p> <p>So please use common sense, the area is too small to take all these extra houses, and dont spoil, the bit of greenery we have.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	As above
