Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	The infrastructure, roads, schools, shops etc cannot cope with more housing in this area. The road network is horrendous at peak hours and pocket nook lane cannot support more cars. The road is small and dangerous as it is due to cars parking all along it. It is difficult to come out of the branched streets. Please stop building on the few remaining green spaces in lowton
