As parents etc drop their cars anywhere rush hour lasts all day. What about well being. Growing food connecting to nature. Mental well being is urgent. We need trees plants insectsts to survive. We need communities. Loneliness is the biggest killer. Growing food plants and being around animals trees etc. Heals, produces endorphins. Being with people relaxed laughing make people happiest. Inturn will make people want to help each other you have divided and put people against each other for far to long. You are seperating people from nature. We need nature to survive. To breath. To connect. Nature is GOD to many many people.
