Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>A blatant lie was used by bury council to state that the building was a government mandatory situation.</p> <p>Experts have been used by the council who stated in their report there was only 1 in a 1000 years of flooding risk.</p> <p>The area floods every year to about a half meter.</p> <p>The council refuses to use up all the brown sites first that could save the destruction of a considerable ammount of green belt.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	<p>The council needs to make brown sites a priority to prove they are not just ripping up green belt for the easy proffits of the builders.</p> <p>The hydro report needs to be re done by a second unbias expert.</p>
