Compliance - In accordance with the Duty to Cooperate?	NA
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>The traffic is horrendous as it is without adding 1100 new homes. It can take 30-40 mins to drive 2 miles. There is insufficient space to expand the minor roads so we will be gridlocked.</p> <p>The only public transport we have is the V buses. They cannot cope with the demand as it is.</p> <p>What amenities like schools, doctors and dentists will be built? Its too vague in the proposal.</p> <p>This development will make Mosley Common undesirable as a result of the above.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	<p>Develop the infrastructure required to cope with all the new properties being devoped in the area before construction begins.</p> <p>Bring trams down the east lanns before construction begins.</p>
