Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	As above The plan is undermined by current applications by northstone at the Horwich Golf club, trying to circumvent the democratic will of the local people by seeking planning permission for otherwise protected green space which would be listed as greenbelt after the statutory consultation period therefore securing permission prior to listing. These planning permission applications should be declared void and the greenbelt listing in this strategy be paramount. The Lostock aerospace sites also take insufficient regard for the existing residents views and give unwarranted weight to national developers
