Please be as precise as possible. | cant get off my estate in a morning anymore to get to the east lancs with the amount of extra traffic the other newly built estates have caused, my water pressure is now garbage, there is now a river runs down my road when it rains heavily never like that before the new estates and the rain was soaked up by our lovely fields which have now gone. New estates have brought a lot of thieving to my once quiet neighbourhood. It is beyond belief you think there is a need for another 1100 houses around here and to make more of a inconvenience of myself and residents of Mosley Common. Think about the people who live around here for once. Disgusted!!! |
