<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	The proposed plans to build on green space in the local area are outdated and not in line with current times. Building on green space will not only damage the environment but add to the climate crisis. Future generations will not have the green space to enjoy and appreciate. There is no infrastructure locally that would support the proposed additional housing. Local people benefit from having nature reserves and wooded areas for leisure time, which has been prevalent over the last two years during the pandemic.

<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	The plans should be scrapped. Plans to build on brown belt land should be considered. The infrastructure of the local area need to be reviewed before considering building new houses. Tameside council are unable to fulfil the current issues within the area so additional housing would put a bigger strain on resources.
