Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>There are no proposals to improve infrastructure- schools, medical or leisure facilities and so will place intolerable burden on those existing at present.</p> <p>Increased traffic levels will add to air pollution levels which already is necessitating the declaration of a clean air zone for GM in 2022.</p> <p>There will be a loss of open space for the enhancement of mental well being.</p> <p>The area has experienced hundreds of new build housing in the last few years which has had adverse impact on the above</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Proposal should be declined
