Please be as precise as possible.	We are struggling as it is to find school places for our children and we do not have enough doctors for the residents now let alone with another 1100 houses. The traffic is a nightmare every evening and every morning we just do not have the capacity for the extra cars that will be on the roads. They have just built a lot of houses of Hilton lane and City Road and this development would be in the middle of these. The area is just not capable of all the extra people that would come with these houses.
