<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	This is a wetland area to stop flooding. It is the only natural area near me that I use as part of my mental well being. To destroy this would cause massive negative effects. The houses that are being proposed are not affordable housing and will not help the locals at all. This plan is not on a brown field site but on a nature site.
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	There are so many unused houses and areas you can choose from.
