<b>Title</b>	JPA 35: North of Mosley Common
<b>Type</b>	Web
<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	I moved into the area in 2015, I was very content and loved to see the fields whilst walking my dogs. It is so sad that the traffic is now so very busy around Mosley Common Road. It isn't wide enough for all the wagons driving over. There are too many houses for the local facilities to support, I struggle to get into shops, into the doctors. I just feel the scale of the proposed development north of Mosley common is far too large for the area to support, especially in view of the 1000+ houses which are already in progress.
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	Do not approve the site allocation until we have improved the roads. Make the proposed number of houses to be built much smaller.
