<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	At present we are just not meeting the basic requirements for civilised living. Too many houses, traffic pollution is already at a maximum. Too many houses in such a small area but not enough schools, healthcare facilities, children's play areas to support all the houses. Schools both primary and high schools are already over populated, 3 form entry primary schools shouldn't even exist, children's education suffers as a result of overcrowding all to make the developers wallets fat, its a disgrace.
