Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not	The proposed land in Norden and Bamford is green belt land. The Government proposals are to use brownfield first. On this basis the Council are using the sale of this land for monetary gain rather than sourcing brownfield sites. The provision of services for the proposed land isn't good

to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

enough for the numbers of people and cars that will be introduced. The added cars will create extra pollution particularly around the two primary schools it is between. Traffic is already congested in these areas too.

Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.

The Council should only build on brownfield sites and repurchase old buildings to accommodate new housing.
