Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>Rochdale does not have a shortage of housing. If houses need to be built there are other brownfield sites available which are more accessible. Doctors and schools cannot cope with the population of Bamford as it stands not to mention the traffic which more housing would create.</p> <p>There is also the question of the wildlife which would be affected if this green belt was built over.</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	The modifications we are seeking is for JPA19 Bamford/Norden to be removed from the PfE.
