Soundness - Positively prepared?	Unsound
Soundness - Justified?	Unsound
Soundness - Consistent with national policy?	Unsound
Soundness - Effective?	Unsound
Compliance - Legally compliant?	No
Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	There are brownfield sites available in the area to build on instead of PROTECTED GREENBELT LAND, there is a vast array of wildlife living in the proposed site, the local schools and Drs are all already oversubscribed and the traffic is gridlocked in every direction without an extra 2500 vehicles being added to the roads, how can anyone justify the loss of this land that has been a lifeline to people throughout the pandemic, Tameside council needs to hang its head in shame.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Use the brownfield sites available throughout Tameside.
