Please be as precise as possible.	Over 1100 extra houses in that area would be a massive strain on the already over stretched infrastructure, drains, roads, schools, shops and other local facilities. This is an already crowded area as it is. It simply cannot sustain this many extra homes, on top of all the ones recently added and planned. As a local resident I object strongly to this planned development.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	The only alternative if not to build these extra homes.
