Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	I was led to believe that the land bordering my property was allocated as leisure space ie. golf course and football pitches and have been waiting at least 10 years for this to happen. During this time the area has become a natural beauty spot with mature trees and wildlife.
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect	I now feel this space should be left and enhanced further to benefit the people of Tameside by adding the missing facilities that were promised over 10 years ago. The whole area was destroyed by the building of the M60 with the over tipping of landfill and was led to believe a lot of the fill was not checked. I now feel the area has managed to repair itself and returned back almost to what we had before.

of any legal compliance or soundness matters you have identified above.

we have seen that during the pandemic this space has benefited the wellbeing of the people of Tameside.

With more and more people working from home creating vacant commercial spaces do we really need more commercial/office spaces.
